ABOUT THE 2019 ANNUAL MEETING OF SHAREHOLDERS

What am I voting on?

You will be voting on the following:

- (1) To elect five members of the Board of Directors to serve a term expiring at the Annual Meeting of Shareholders in 2019 or until their successors are duly elected and qualified;
- (2) To ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2019; and
- (3) To transact any other business properly coming before the meeting.

Who is entitled to vote?

You may vote if you owned ordinary shares of the Company as of the close of business on June 21, 2019. Each ordinary share is entitled to one vote. As of June 21, 2019, we had 200,000,000 ordinary shares authorized and 12,436,279 ordinary shares issued and outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have four voting options:

- (1) By Internet, which we encourage if you have Internet access, at the address shown on your proxy card;
- (2) By email, by emailing your signed proxy card to akotlova@islandstocktransfer.com;
- (3) By mail, by completing, signing and returning the enclosed proxy card; or
- (4) By fax, by faxing your signed proxy card to +1-727-289-0069 (United States) or +86 0769-38958222 (China).

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote at the meeting?

If you are a shareholder of record, you may vote in person at the meeting. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet, by email, by mail or by fax.

Can I change my mind after I return my proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us by mail before the meeting, (2) voting again over the Internet prior to the time of the meeting, (3) voting again by email or fax prior to the time of the meeting, or (4) voting at the meeting if you are a registered shareholder or have followed the necessary procedures required by your bank or broker.

What if I return my proxy card but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted in favor of Proposals 1 and 2 and in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it mean if I receive more than one proxy card or instruction form?

It indicates that your ordinary shares are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account on the Internet, by email or by fax, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact your bank or broker and request consolidation.

Will my shares be voted if I do not provide my proxy or instruction form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2019 is considered a routine matter for which brokerage firms may vote without specific instructions. However, the election of directors is not considered routine matters for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as "broker non-votes."

How can I attend the meeting?

The meeting is open to all holders of the Company's ordinary shares as of June 21, 2019.

May shareholders ask questions at the meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, email, mail or fax. In order for us to conduct our meeting, one-third (1/3) of our outstanding ordinary shares as of June 21, 2019 must be present in person or by proxy. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting. If a quorum is not present or represented, the Chairman of the meeting or the holders of a majority of the shares of ordinary shares present, either in person or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present or represented.

How many votes are needed to approve the Company's proposals?

Proposal 1. The nominee receiving the highest number of "For" votes will be elected as a director. This number is called a plurality. Shares not voted will have no impact on the election of the director. The proxy given will be voted "For" the nominee for director unless a properly executed proxy card is marked "Withhold" as to a particular nominee or nominees for director.

Proposal 2. The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2019 requires that a majority of the votes cast at the meeting be voted "For" the proposal. A properly executed proxy card marked "Abstain" with respect to this proposal will not be voted.

Is cumulative voting permitted for the election of directors?

No. You may not cumulate your votes for the election of directors.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Board Leadership Structure

Ms. Yefang Zhang serves as the Chairwoman of the Board of Directors. In addition, she has served as our Chief Executive Officer since July 2015. As a smaller public company, we believe it is in the company's best interest to allow the company to benefit from guidance from key members of management in a variety of capacities. We do not have a lead independent director and we do not anticipate having a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a relatively small public company.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As a smaller reporting company with a small Board of Directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

Kangbin Zheng	\$ 10,000	\$ 0	\$ 10,000

How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Nominating Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Nominating Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Nominating Committee is also responsible for considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Nominating Committee's charter is available on the Company's website at <http://ir.farmmi.com.cn/> and in print upon request. The Nominating Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

Are the members of the Nominating Committee independent?

Yes. All members of the Nominating Committee have been determined to be independent by the Board of Directors.

How does the Nominating Committee identify and evaluate nominees for director?

The Nominating Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Nominating Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting. The Nominating Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or "fit" of such candidate with existing members of the Board of Directors and management. The nominating committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees; however, the nominating committee does consider diversity of opinion and experience when nominating directors.

What are the minimum qualifications required to serve on the Company's Board of Directors?

All members of the Board of Directors must possess the following minimum qualifications as determined by the Nominating Committee:

- A director must demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision;
- A director must be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;
- A director must have a record of professional accomplishment in his or her chosen field; and
- A director must be prepared and able to participate fully in Board activities, including membership on committees.

What other considerations does the Nominating Committee consider?

The Nominating Committee believes it is important to have directors from various backgrounds and professions in order to ensure that the Board of Directors has a wealth of experiences to inform its decisions. Consistent with this philosophy, in addition to the minimum standards set forth above, business and managerial experience and an understanding of financial statements and financial matters are very important.

How may shareholders communicate with the members of the Board of Directors?

Shareholders and others who are interested in communicating directly with members of the Board of Directors, including communication of concerns relating to accounting, internal accounting controls or audit matters, or fraud or unethical conduct, may do so by writing to the directors at the following address:

Name of Director or Directors
c/o Secretary

No. 307, Tianning Industrial Area
Lishui, Zhejiang Province
People's Republic of China 323000

Does the Company have a Code of Business Ethics and Conduct?

The Company has adopted a Code of Business Ethics and Conduct, which is applicable to all directors, officers and associates of the Company, including the principal executive officer and the principal financial and accounting officer. The complete text of the Code of Business Ethics and Conduct is available on the Company's web site at <http://ir.farmmi.com.cn/> and is also available in print upon request. The Company intends to post any amendments to or waivers from its Code of Business Ethics and Conduct (to the extent applicable to the Company's principal executive officer and principal financial and accounting officer) at this location on its web site.

How often did the Board meet in fiscal 2018?

The Board of Directors met 3 times and acted by unanimous written consent 10 times during the fiscal year ended September 30, 2018. Our Board has an Audit Committee, a Compensation Committee and a Nominating Committee. The Audit Committee did not hold meetings and did not act by unanimous written consent during the fiscal year ended September 30, 2018. The Compensation Committee did not hold meetings and did not act by unanimous written consent during the fiscal year ended September 30, 2018. The Nominating Committee did not hold meetings and did not act by unanimous written consent during the fiscal year ended September 30, 2018. Each incumbent director attended all of the meetings of the Board of Directors during fiscal 2018. The Board invites, but does not require, directors to attend the annual meeting of shareholders.

What are the committees of the Board?

During fiscal 2018, the Board of Directors had standing Audit, Nominating, and Compensation Committees. The members of each of the Committees as of September 30, 2018 and their principal functions are shown below.

The members of the Compensation Committee as of September 30, 2018 were:

- In the area of compensation and benefits, making recommendations to the Board of Directors concerning employees who are also directors of the Company, consult with the CEO on matters relating to other executive officers, and make recommendations to the Board of Directors concerning policies and procedures relating to executive officers; provided, however, that the Committee shall have full decision-making powers with respect to compensation for executive officers to the extent such compensation is intended to be performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code;

Similarly, the Compensation Committee has not engaged a compensation consultant to assist in the determination of executive compensation issues. While the Company's executives will communicate with the Compensation Committee regarding executive compensation issues, the Company's executive officers do not participate in any executive compensation decisions.

Audit Committee

The members of the Audit Committee as of September 30, 2018 were:

Yunhao Chen, Chairwoman
Hongdao Qian
Kangbin Zheng

The primary responsibility of the Audit Committee is to assist the Board of Directors in monitoring the integrity of the Company's financial statements and the independence of its external auditors. The Company believes that each of the members of the Audit Committee is "independent" and that Yunhao Chen qualified as "audit committee financial expert" in accordance with applicable NASDAQ Capital Market listing standards. In carrying out its responsibility, the Audit Committee undertakes to:

- Review and recommend to the directors the independent auditors to be selected to audit the financial statement of the Company;
- Meet with the independent auditors and management of the Company to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors;
- Review with the independent auditors and financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the Company. The Committee elicits recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. The Committee emphasizes the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper;
- Review the internal accounting function of the Company, the proposed audit plans for the coming year and the coordination of such plans with the Company's independent auditors;
- Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and contents of the financial statements to be presented to the shareholders;

- Provide sufficient opportunity for the independent auditors to meet with the members of the Committee without members of management present.
